Everbright Smart Select Global Equity Fund

(A Sub-Fund of China Everbright Fortune Fund Series)

Factsheet

As of 30 APR 2026

Important Note:

- The Sub-Fund's investment portfolio may fall in value due to any of the key risk factors below and therefore your investment in the Sub-Fund may suffer losses. There is no guarantee of the repayment of principal.
- Underlying investments of the Sub-Fund may be denominated in currencies other than the base currency of the Sub-Fund. Also, a class of unit may be designated in a currency other than the base currency of the Sub-Fund. The Sub-Fund's net asset value may be affected unfavorably by fluctuations in the exchanges rates between these currencies and the base currency and by changes in exchange rate controls.
- The Sub-Fund's investment in equity securities is subject to general market risks, whose value may fluctuate due to various factors, such as changes in investment sentiment, political and economic conditions and issuer-specific factors.
- The trading prices of units/shares in an ETF may be at a discount or premium to the net asset value of the units/shares. Valuation of units in an ETF will primarily be made by reference to the last traded price. Where the Sub-Fund buys at a premium, it may suffer losses and may not fully recover its investment in the event of termination of the ETF.
- The Sub-Fund's investments may be concentrated in a single or small number of countries and may have greater exposure to the market, political, policy, foreign exchange, liquidity, tax, legal, regulatory, economic and social risks of those countries, and the value of the Sub-Fund may be more volatile than that of a sub-fund having a more diverse portfolio of investments.
- The Sub-Fund may invest in derivatives for investment and hedging purposes. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk.
- You should not base your investment decision solely on this document.
- Please read the offering document including EM & KFS for details of the fund, in particular those associated with Risk relating to geographical allocation strategy, investments in the Asia region and other OTC markets.

Fund Objective

The investment objective of the Sub-Fund is to aim to provide investors with medium to long term capital appreciation through investing primarily in equity securities issued by companies in global markets. In particular, the Sub-Fund will seek to invest in companies which, in the opinion of the Manager, can generate a relatively consistent and steady return on capital employed over business cycles.
